I should have a better sense of that by the end of today. I will get back to you then. Peter

Thanks. Any sense of how long before we see your next redline?

Robby, we certainly did receive it and are reviewing it. We are inclined to send you back another redline and then consider the negotiating session if that seems useful. In any event, because of vacations, internal reviews, and other obligations, next week is not available for such a session, if that helps (at least from a scheduling perspective).

Jon and I sent out last Friday CDE's markup of the Consent Decree. I wanted to make sure you got it and also to see if you had any thoughts on scheduling a negotiating session.

Best regards,
Robby
